- UR050-00X-24G 24 AWG Reversible USB 2.0 Micro-B Cable (Available in 1 ft., 3 ft. and 6 ft./0.3 m, 0.9 m and 1.83 m)
- U326-Series USB 3.0 Micro-B Cables

Safety Instructions

- Always read the safety instructions carefully.
- Keep these instructions for future reference.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other equipment (including amplifiers) that produce heat.
- Unplug the unit during lightning storms or when unused for extended periods of time.
- To reduce the risk of fire or electric shock, do not expose this unit to rain or moisture, including any drips or splashes.
- Objects filled with liquids, such as vases, should never be placed on or near the unit.
- The unit presents an electric shock hazard; do not open.
- The outlet used to power the unit should be easily accessible and located near the equipment.

Safety Instructions

- The power supply cord is for indoor use only.
- Maximum ambient temperature around the adapter must not exceed 77°F (25°C).
- The power supply cord's plug and inlet are used as the disconnect device for the unit and its connected peripherals. The power supply cord should be easily accessible during operation.
- Please refer to the marking label on the unit for input and output ratings. Do not overload the power supply.
- Use of this equipment in life support applications where failure of this equipment can reasonably be expected to cause the failure of the life support equipment or to significantly affect its safety or effectiveness is not recommended. Do not use this equipment in the presence of a flammable anesthetic mixture with air, oxygen or nitrous oxide.

USB Charging

To charge your USB devices, simply connect the included power cord between the U280-004 or U280-004-UK and a power source, turn it on via the power switch, and plug your devices into the available ports. Each port provides a maximum of 5V, 2.4A of power. Up to 5V, 1.5A of power can be simultaneously provided to each port.

Specifications

Specification	Description
Ports	(x4) USB A Female
Power Requirements	Input: 100-240V, 50/60Hz, 1.0A Output: Up to 5V, 2.4A per port
Operating Temperature	41°F to 95°F / 5°C to 35°C
Storage Temperature	-4°F to 122°F / -20°C to 50°C
Operating Humidity	20% to 80%
Dimensions (H x W x D)	1.2 X 4.2 X 4.0 in. / 31 X 106 X 101 mm
Weight	0.46 lb. / 0.21 kg
Regulatory Approvals	UL/cUL, CE, FCC, RoHS

Warranty and Product Registration

1-YEAR LIMITED WARRANTY

TRIPP LITE warrants its products to be free from defects in materials and workmanship for a period of one (1) year from the date of initial purchase. TRIPP LITE's obligation under this warranty is limited to repairing or replacing (at its sole option) any such defective products. To obtain service under this warranty, you must obtain a Returned Material Authorization (RMA) number from TRIPP LITE or an authorized TRIPP LITE service center. Products must be returned to TRIPP LITE or an authorized TRIPP LITE service center with transportation charges prepaid and must be accompanied by a brief description of the problem encountered and proof of date and place of purchase. This warranty does not apply to equipment, which has been damaged by accident, negligence or misapplication or has been altered or modified in any way.

EXCEPT AS PROVIDED HEREIN, TRIPP LITE MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Some states do not permit limitation or exclusion of implied warranties; therefore, the aforesaid limitation(s) or exclusion(s) may not apply to the purchaser.

EXCEPT AS PROVIDED ABOVE, IN NO EVENT WILL TRIPP LITE BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF THIS PRODUCT, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. Specifically, TRIPP LITE is not liable for any costs, such as lost profits or revenue, loss of equipment, loss of use of equipment, loss of software, loss of data, costs of substitutes, claims by third parties, or otherwise.

FCC Notice, Class B

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Any changes or modifications to this equipment not expressly approved by Tripp Lite could void the user's authority to operate this equipment.

WEEE Compliance Information for Tripp Lite Customers and Recyclers (European Union)

- Under the Waste Electrical and Electronic Equipment (WEEE) Directive and implementing regulations, when customers buy new electrical and electronic equipment from Tripp Lite they are entitled to:
- Send old equipment for recycling on a one-for-one, like-for-like basis (this varies depending on the country)
 - Send the new equipment back for recycling when this ultimately becomes waste

Tripp Lite has a policy of continuous improvement. Specifications are subject to change without notice.
